

**The BMW 3 Series Sports Edition.**

Sporting performance means enjoying life in the fast lane.  
Particularly in a BMW 3 Series.

Sporting style and functional benefits without foregoing that unique touch of class. The sports seats in top-quality Amaretta® with seat squabs in Boa-Boa flat weave are care-

fully colour-matched to the paintwork of the 3 Series Sports Edition. And the door panels finished in uni-colour rattan, as well as the foot mats in top-quality velours, supplement

the special finish of this BMW 3 Series. Finally, all Sports Edition models come as standard inter alia with the BMW Reverse RDS car radio.

In conjunction with the M sports suspension, light-alloy wheels in sporting, elegant radial styling ensure dynamic handling at all times.

The M leather steering wheel with its seams in the colours of M GmbH offers excellent grip. Even the gearshift lever and handbrake gaiter are finished in black leather.

With its roof lining and pillar trimming in charcoal grey fabric, the 3 Series Sports Edition guarantees a very special feeling inside. And outside white direction indicator lights add that sporting touch.

The M streamlining package consisting of a specially contoured front air dam with built-in foglamps, side-sills and rear air dam, comes as standard on all BMW 3 Series Sports Edition models.

<sup>1)</sup> On cars fitted with sidebags as an option, the inserts in the door linings and door handles are finished in black leatherette.

<sup>2)</sup> All BMW engines comply with the EU II standard. Fuel consumption figures are with standard transmission urban/extra urban/combined in ltr/100 km.

Fuel consumption is measured according to the ECE driving cycle consisting of approximately one-third city traffic and two-thirds overland driving (related to the distance covered). CO<sub>2</sub> mass emissions are measured in addition to fuel consumption.

The models illustrated in this brochure show the specifications for the German market. In part, they include optional equipment and accessories not fitted as standard. According to the specific requirements of other markets, alterations in models, standard and optional equipment, as described in this brochure, may occur. For precise information on model features and the exact level of equipment, please contact

your BMW partner. Subject to change in design and equipment, subject to error.
